## Family Business

Families may start up a business. The family  
08 members all pitch in to make it work. Then the business  
19 is passed down through the family. Here's one family  
28 business that has been around for 95 years.

36 In 1916, two families started a new business. They  
45 opened a coffee company. They roasted the coffee beans  
54 by hand. There were no cars then. They used horses and  
65 wagons to deliver the coffee.

70 The coffee business grew. More family members came  
78 to work for the company. In 1918, the company was able  
89 to buy its first truck.
